This beautiful villa is set within a luxury project with 5600 m2 of private land offering to the guests of these 4 villas an organic garden with seasonal vegetables, open-air fitness, 2 tennis courts, 2 bocce courts, as well as courts for handball, football, basketball and volleyball. For a true Istrian feel there are also 3 boskarins, white grey long horned Istrian cattle, a symbol of the region.
Elegant, sophisticated and superbly located amidst picturesque Istrian countryside yet still within easy reach of sunny beaches and vivid seaside resorts, Villa Elli offers luxurious accommodation in which you can instantly relax and savour every minute of your time.

The ground floor is dedicated entirely to sumptuous living, with a wonderful long room divided by archways into living and dining/cooking areas with French doors bringing the abundance of warm Istrian light inside. Exposed stonework, beamed ceilings and a beautiful open fireplace create a warm and pleasant atmosphere, while a mix of modern and vintage furnishings and exquisite fittings provide you with high quality comforts.

Three bedrooms are distributed over the upper floor, while the fourth one opens directly to the welcoming private pool area, which presents a fantastic place to relax and unwind, including a lovely, covered, authentic barbeque with a dining table that makes a wonderful retreat from the sun or the perfect place to enjoy your outdoor meals.
